The Block Kids Program is a national Blocks building Competition through the NAWIC Education Foundation (NEF) and Sponsored Locally by the Washington DC Chapter of NAWIC. This program is design to make sure students are aware of the rewarding career opportunities available to them in the construction industry. Local Winners Advance to a regional level and one semi-finalist from each region will move on to the national competition.

**Come and Share all the fun Building a Construction Project with Blocks!**
